Sweet Lake: A Novel (A Sweet Lake Novel Book 1)

Synopsis

Linnie Wayfair knows just how many people are counting on her. But knowing doesn't make doing any easier. Everyone in Sweet Lake, Ohio, wants her to muster all her business sense and return the Wayfair Inn to its former glory. Her parents hope she'll forgive her scoundrel of a brother and reconcile the family. The eccentric Sweet Lake Sirens want her to open the inn and her heart to new possibilities. And her hilarious lifelong friends Jada and Cat are dropping none-too-subtle hints for her to ignite a romance with Daniel Kettering, the sexy attorney who's been pining for her for years. Now a shocking turn of events will open old wounds and upend the world Linnie has carefully built. She has to make changes quickly and the results, though not entirely what she expected, might be what she's been yearning for all along.

Customer Reviews

This was an inspirational book. Linnie's story was exceptionally written with great character

development. The romance between Linnie and Daniel was truly wonderful. Ms. Golgi has a way of speaking to your heart. I look forward to reading the next one.

This is a great summer read and I really enjoyed the characters and the story line. The characters are believable and the story draws the reader into the lives of the characters and is very real. This is a good friendship and life story and I highly recommend.

Such a great read. Glad my friend recommended this author to me! Strongly suggest this book and this author! I'm hooked.

I love happy endings, especially when it involves family. Because Linnie was strong and wasn't going to give up, she won my heart. The Sweet Lake Sirens, they seemed to always have a plan to fulfill. They kept me wondering what's up with what's next regarding they're plans. I'm glad there's a new Series to get involved in. I fell in love with Christine's Liberty Series. Now I already fell in love with her Sweet Lake Series. I can't wait to read her next book.

This book was very hard for me to read, almost just quit, but I hate to do that, so kept on. It got a little better. Not the best I've ever read for sure.

Light reading which packs messages we all need to remember: the power of friendship, acknowledging different perspectives on the same issue, and putting yourself first (at least once and awhile). I especially like the notion of spreading kindness in secret, and learning how such actions helped build friendships among those living in Sweet Lake.

A wonderful book, I already can not wait for the next one!
