For nearly 50 years, Southern Living magazine has delivered definitive Southern food, decorating, and entertaining ideas to its readers, making it one of the most trusted sources in the country that reaches 16 million readers monthly. Readers use it, keep it, live by it. It's the magazine that no Southern home in any part of the country can be without.

I have been purchasing Southern Living Christmas books for years. While I did find some recipes I'm sure I'll like, and some decorating ideas, I do not feel this particular book was one of Southern

Living's best. I went back and forth about keeping it, and finally decided to not send it back.

beautiful photographs and well written instructions...my only dissapointment is that there are way too many recipies...i want this book for the decorating ideas...I love the calendars in the back and the sections for documenting events, ideas, gifts given and recieved, christmas card lists...it is very well done---I have purchased their books since 2000!!

Gift for my sister-in-law and she loves it!

This series is always a treat.

Receive one of these every year. Have been collecting these for 15 years

I gave it as a gift to my mom. She loved it!

Love Christmas with Southern Living!
