The Illustrated Dictionary of Dream Symbols is much more than a book of dream symbols; it has also added richness to our reading of God's Word. Whether you use this book to assist in interpreting your dreams or as a companion for your study of the Word of God, you will find it a welcome companion. ---Robert and Joyce Ricciardelli Directors, Visionary Advancement Strategies Seattle, WA
This book is a treasure chest, loaded down with revelation and the hidden mysteries of God that have been waiting since before the foundation of the earth to be uncovered. ---Bishop Ron Scott, Jr. President, Kingdom Coalition International Hagerstown, MD
When used through the Holy Spirit, it (this book) can help the reader take away the frustration of not knowing what dreams mean and avoid the dangers of misinterpretation ---Joseph Ewen Founder and Leader of Riverside Church Network Banff, Scotland, UK

Dr. Joe Ibojie trained as a medical doctor and worked with Army Medical Service where he rose to the rank of Colonel. Now an ordained Pentecostal Minister of the Gospel with special grace to minister and expound the word of God, he runs excellent teaching programs in the interpretation of

dreams, visions and prophecy. Joe is the author of *Dreams and Visions*, *The Illustrated Bible-Based Dictionary of Dream Symbols*, and *How to Live the Supernatural Life in the Here and Now*. Together with his wife, Cynthia, he oversees The Father's House in Aberdeen, Scotland. The Father's House seeks to build a bridge of hope across generations, racial divides, and gender biases through the Ministry of the Word.

This book is fun and provides the reader with the biblical understanding on how to interpret dreams. So it is totally biblical based, not some worldly interpretation. Also there is a section where you can find about your dream symbols and etc. It is pretty easy to read and fun at the same time. If you are a dreamer of God, then why not try =) you will love it!

Yes he includes dream symbols in the last half; but the best part of this book is the first half. He goes into great and very user friendly detail about hearing from God in numerous ways. This was the most helpful book I've read on the subject. Highly recommend.

I decided to purchase this book after reading the reviews. My goal was to be able to interpret my dreams from a biblical perspective. This book was dead on. The beginning was a bit of a slow read but the author did a good job of breaking down the types of dreams, visions, etc we experience. The best part of the book was the last few chapters that included the dictionary. It really helped me to recognize symbolism in my dreams and the definitions were accurate in accordance to how I interpreted my dreams. A couple of things I wish the author had provided include the following: 1.) Included more biblical examples of dreams/visions and exhibited how to interpret each aspect of the dreams, visions, etc. and 2.) Discussed overarching themes, situations, etc in dreams and their meaning. The book did a good job of pointing out symbolism surrounding objects (e.g. if there is a foot, clock, roller coaster, etc in your dream and the meanings behind these objects). But, suppose I had a dream about my childhood best friend and he/she abandoned me in the dream. The book does not necessarily tell you how to interpret these types of dreams and their meaning. Overall a great book to purchase to help you become disciplined in remembering and interpreting your dreams, visions, etc.

I have just began reading this book, but so far I find it informative enough to keep my interest. I have 10 other books on Dream Symbols, but I am always looking for new and fresh aspects of this often mystical life experience. The author is very thorough, generally citing several examples from the Old

and New Testament to help the reader relate to the meaning of dreams and the symbols within.

God has given us dreams along with the desire to interpret our dreams. Why leave your dreams to someone else to interpret. The knowledge in this easy to read book is presented in a manner which will make you go deeper and want to learn more! Knowledge is power...

I have this book and have purchased often for others. I find it to be one of the best.

This book is an excellent resource for better understanding your dreams. I am thankful that the writer is a Christian and therefore wrote from a spiritual perspective. It is very insightful and will help you better understand the symbolisms of your dreams from the Lord. I also like that the author acknowledged that even though he provides general meanings for symbols, ultimately dream interpretation comes from the Lord and we must pray and seek God for clarity in all things. I highly recommend this book.

I highly recommend this book. It is not comprehensive, but it has more in the "dictionary" (second half of the book) than most other books on this subject. I believe the "universal meanings" presented by Dr. Ibojie are accurate because they align with other books by respected authors. In fact, when I find differing definitions (not often), I lean toward Dr. Ibojie's choice of meanings because they agree with the Holy Spirit in me.
