Esther and Jerry Hicks produce and present the leading-edge Abraham-Hicks teachings on the art of allowing our natural Well-Being to come forth. They present Law of Attraction workshops in up to 60 cities a year.

I read one page a day and by the end of the year, I was a different person. Everyday I would focus on a single quote and I would try to keep it in the front of my mind for the duration of the day and it changed the way I looked at and thought about things. Sometimes it was hard to comprehend into my own life but I made it happen and by the end, the ideas stuck with me and now I live differently. I would recommend this book highly but I also recommend reading Ask and It is Given by Esther and Jerry Hicks first.

I have had a lot of trouble reading and understanding Esther and Jerry Hick's bestselling "Ask and It Is Given" since I bought it two years ago. In my quest to better understand the Law of Attraction, purchasing dozens of books on the subject, I decided to buy this. I am glad I did. This cuts right to the chase. I thought I was buying a book but it's really a book of 365 quotes for each day of the year to help, if not train you, to condition your mind on just how the Law of Attraction works. They are wonderful quotes that cut to the chase of what Esther and Jerry Hicks try to explain in "Ask and It Is Given" but without the mumbo jumbo. This is a review for the Kindle edition and it is just wonderful! Other reviewers here have said there are pictures but they must be referring to the hardcover and paperback edition. I have not come across any pictures or drawings yet. I'm enjoying this so much I might end up getting the hardcover edition.

This book has magic in every page. Priceless, now understand what people meant when they said "the best things in life are for free" THANK YOU! My life has been changed forever

You'll not find a critical word from me about Abraham. (So you KNOW how this review will go) I'm a LONG time Abrahammer. As with all of their publications, this is top-rate. Abraham always illumines the path to successful, joyous living, and this is in a convenient daily reminder/incentive format that should help keep your consciousness aligned to the joy in your life.

The only reason I didn't give this 5 stars is that I feel that the snippets say basically the same thing over and over, just worded differently. But, I read a few pages a day while I dry my hair in the mornings so that the message slowly "soaks in." I love Esther and Abraham's messages, really very genius and mostly right on with what I believe. This book is just one snippet per page with beautiful artistry on the background of each page. Not a sit down and read front to back book. Maybe one of those books where you just open up to a page whenever you see it/feel like it to get a message.

The book is the same as the calendar and I am enjoying both; able to have access to one or the other because I have one copy at work in case I do not have time to read the daily passage before leaving for work.

I love this little book! perfect to take with you in your bag or leave it in your car if you're one of those that live out of your car. I turn to any page and read the message from Abraham. Helps me to get

back into alignment throughout the day.

I liked this I just didn't know it was 365 "saying" of Abraham. So it's not a book of interviews etc. It's just basic comments from Abraham. I liked that it definitely codified Abraham's work from all the other books. So I like it.
