I am still reading this book, but very much enjoying it and so glad I ordered it. Dee Dee Hardaway

My wife and I have 12 grandchildren. We found this book to be of great assistance in relating sympathetically with some of those kids. My wife did not need much help but I am a more direct, pragmatic person and found some helpful ideas in the book.

This book has many varied easy to do tips that would make any child feel loved. Often it is the easiest activity, but one you somehow would not think of on your own. It is a Great gift to give to all relatives as the ideas are all expressions of LOVE. A must for everyone. Enjoyable, easy reading and filled with original ideas!!!

I love this book...I keep it in my guest bathroom for browsing with our guests. I give it to new grandmothers at baby showers so the grandma gets one gift, too. Everyone benefits...the grandchildren, your kids, and you and "Grandpa"!
