# Savagery Of The Mountain Man

## Synopsis

Santa Clara, Colorado, is 24 hours by train from the land where Smoke Jensen found peace and prosperity on his Sugarloaf Ranch. But somehow, Smoke can't stay away from Santa Clara--and from an evil cattle baron hiding a murderous past. And Where There's Smoke--There's Justice... For Smoke, it starts at a high-class auction for a pureblood Hereford bull. Smoke wins the bidding--and earns the hatred of Pogue Quentin, Santa Clara's leading citizen and a man living on bloodshed and lies. Then Smoke's friend Pearlie drifts to Santa Clara. And when Pearlie runs afoul of Quentin, all hell will break loose. Now Smoke Jensen is heading to Santa Clara to face a man who already wants him dead--but Pogue Quentin never met anything like the fire of a mountain man...

## Customer Reviews

Who ever writes these stories, they need spell-check and isn't like the original stories. I read all of the original books on Preacher.

Another very good book by a very good writer. As would be expected another very good book by a great writer

Great book, really enjoyed it

Love it! 28 more to go..

The mountain series beginning with the first mountain man, was what brought me to William W. Johnstone. I read as many of these as I could find. I then read as many of the Smoke Jensen, the last mountain man, books I could find. Then went to Matt Jensen. All of these intermingle with the characters developed by bringing in Preacher to help develop Smoke Jensen, then bringing Smoke Jensen in to help develop Matt Jensen. All these books have been wonderful reading.

I must say that I expected more out of this book. I've read a lot of this series and I thought that this book was a bit on the weak side. Not much action. It had its moments but overall not what you'd expect from Johnstone. With a title like *Savagery of the Mountain Man* I was looking for a lot more than what was there. The ending was lame without a lot of the drama that Johnstone is known for. Love westerns for the imagery and that was missing this time. Would still buy his books and will still love westerns.

I have read quite a few of the mountain man books and have enjoyed them very much. This one was just as exciting as the rest of the ones I have read. Mr. Johnstone has really captured the mountain men as I have thought they might have been or at least should have been in his books. I never thought I would enjoy reading westerns until I read one a friend left at work and since then I started reading the mountain man books and I have become addicted to westerns.

as usual his books are great read
