Customer Reviews

The recipes are short and to the point too. No unnecessary fluff. It tells you which buttons to select and what to set the timer for. This book is a very good guide, providing you with all that you need to know about this kind of cooking method and alongside tips in buying an instant pot cooker and even some techniques in cleaning the cooker after use. Thanks for sharing this to us, this was so very helpful.

Another book to read about how to use instant pot in your house. For me its better to read a lot of books if you want to learn things because you can get some new ideas and knowledge about it. I consider this book a very helpful and informative. I like also the recipes that being introduce here, because it has a new taste, and at the same time healthy. I commend the author because he makes this cookbook very helpful to me as a food lover, because I can cook this food easily with the use of instant pot.

I'm a very busy person that needs instant pot to make and cook foods. With no longer time to use or give me a short period of time to cook. So glad that this book came across to me. I am determined to keep looking for a dish in here to try. Thanks!

I don't know why, but I'm kind of liking the idea of cooking and doing it with good results. These guidebooks are really helpful! To be honest, I really don't know how to cook. But with their help, my family can just scream with "WOW"!

This is an interesting and a perfect book for instant pot recipes, these recipes are instantly make in pressure cooker and i am happy to get this book because the book is save my time and also introduce to many delicious recipes thanks.

Down to earth instructions and good food that doesn't need a lot of fancy ingredients. I question the salt and pepper amounts in some recipes though. One fourth cups salt and pepper? I would adjust these down when cooking.

I am simply delighted of this cookbook since it's got a whole lot of healthy and delicious recipes. And what's more, I would be able to enjoy the use of my instant pot more. It doesn't just help me save time, but money as well.

Hi, I had my first dish Honey Barbecue Wings and they were absolutely delicious. I found the book a very good investment and will definitely help me reach my fitness goals and enjoy healthy home made food. I have to go now, I have some cooking to do. :-)
