Synopsis

The Electric Guitar Primer Book For Beginners Deluxe Edition with Video & Audio Access by Bert Casey is a unique and effective beginning guitar course that combines popular songs with step-by-step, easy to follow instructions. Based on over 25 years of both private and classroom instruction, it includes everything the beginning guitar student needs to start playing right away (strumming chords, rock & roll riffs, easy to understand diagrams & pictures, complete chord chart, scales, & barre chords). The student plays along with a full band on all of the 12 song examples. This course starts the student on the road to becoming a rock & roll player by learning how to play electric guitar.
