Bicycle Commuter's Handbook: * Gear You Need * Clothes To Wear * Tips For Traffic * Roadside Repair (Falcon Guides How To Ride)

Synopsis

As sensible as it may seem in an era when fuel prices are skyrocketing in tandem with environmental consciousness, a switch to bicycle commuting doesn't necessarily happen overnight. Certain questions arise: Do I really need that \$1,500 bike? Are Lycra shorts necessary? What about traffic rules? What to do when a tire blows? In *The Bicycle Commuter's Handbook*, veteran cyclist, bike commuter, professional messenger, and author Robert Hurst gives you all the answers you need for worry-free riding. The ultimate, practical miniguide to tips, tricks, technique, and gear. Compact and user-friendly. For riding to work, to the grocery store, or just around town. Color photos and illustrations.

Customer Reviews

Great product!

Authoritative and concise, this book covers all the concerns and pain points that I've had transitioning to my bike commute. Very highly recommended to anyone looking to take the plunge!

a lot of information in a little book - gave some very helpful ideas on practical approaches and problems.

After 30 years of bicycle commuting, this book has very good information to read which I did not realize until I read the book. Highly recommended for anybody who commutes with a bicycle.

A fun read.

Must read for new schoolers And old
