Did You Never Suspect...?: A Story Of Trust And Betrayal With Explosive Insights Into Murder, Justice, And Survival From The Son Of Child-killer Ronald Castree

Synopsis

The harrowing, but ultimately enlightening, account of Nick Castree's abusive childhood with Ronald Castree, the man who was found guilty of the 1975 murder of 10-year-old Lesley Molseed, over thirty years after her death. With great candour and honesty, Nick describes what it was like living with a violent, abusive man who, he can see in retrospect, lived for years with the fear of being apprehended. Ronald Castree destroyed the lives of his wife Beverly and their three sons. With time, support, and love, Nick was able to build a good life for himself despite everything he endured. Today, with the support of his husband Tony, he strives to ensure that the families of murderers are understood as the victims that they are.
