Excellent advice in a small package - highly recommend this book!

Slightly out of date. Sensible but not new news for the seasoned traveller. Excellent for the new

traveller.

Watched this DVD and read the book before traveling 3 weeks in Europe. Wonderful spot on advice!  
So many good traveling/packing tips!

I enjoyed reading this book and watching the video. Thanks for the prompt shipment!

Good information and good info on DVD about packing.

I've read a number of packing books and this is the most helpful by far. The CD is enjoyable and Anne gives lots of tips. Others have borrowed this from me and also benefited from reading it and viewing the CD. If you travel a lot, you will find many helpful hints in this book. I've even ordered some of her products from her website.

I recommend this book particularly for those traveling out of the country...I like the lists of what to take, specific tips offered. I am now prepared for an out of the country trip, thanks to Pack It Up: Travel Smart Pack Light.

I needed a refresher on packing for an out-of-country air/land trip. This author really knows her stuff! I leave within the week full of confidence having used the great tips outlined in this video and book! Its advice is the best I've encountered in my travel planning.
