# Best Contemporary Monologues For Men 18-35

## Synopsis

(Applause Acting Series). Lawrence Harbison has selected 100 terrific monologues for men from contemporary plays, all by characters between the ages of 18 and 35 perfect for auditions or class. There are comic monologues (laughs) and dramatic monologues (no laughs). Most have a compelling present-tense action for actors to perform. A few are story monologues and they're great stories. Actors will find pieces by star playwrights such as Don Nigro, Itamar Moses, Stephen Adly Guirgis, and Terrence McNally; by exciting up-and-comers such as Nicole Pandolfo, Peter Sinn Nachtrieb, Crystal Skillman, Greg Kalleres, Reina Hardy, Daniel Guyton, and J. Thalia Cunningham; and information on getting the complete text of each play. This is a must-have resource in the arsenal of every aspiring actor hoping to knock 'em dead with his contemporary piece after bowling over teachers and casting directors alike with a classical excerpt.

## Customer Reviews

"if you're a theatre fan, or just looking to get into contemporary theatre, these monologue books are a great source to find new plays to read, so they're not just for actors. The variety in both books is one of the most appealing things about them. The men's book has everything from a teenage bully, to a reality TV producer, to a washed-up baseball player, or even the playwright Anton Chekhov himself. And if you're an actress, in the women's book you'll find monologues where you can play a Scottish lady of the night in the 1820s, an interrogator at Guantanamo Bay, a sweet and ditzzy Southern belle accused of murder, or a samurai vampire (yes, really). There are monologues for

actors of different races, and every age is represented in the 18-35 spectrums that the books cover.” --Portland Book Review

For a monologue book, it is pretty darn great!

Some truly outstanding contemporary monologues in this collection that span a variety of tones and motivations. Truly a great set for any auditioning dramatic actor.

Legit good monologues. Let's get this acting career started!!!

Great for auditions

Daniel's writing is crisp, witty and thought provoking! A good read without regard to your gender or age!
