Expert author Lizzie Williams knows Uganda inside out;

she has travelled extensively through the country researching this new edition. Comprehensive coverage of all the country's attractions, from gorilla trekking to the Murchison Falls. Inspirational trip-planning with itineraries, maps and a special wildlife feature. In-depth background section to help you understand the country's history, culture, people and politics

Originally from London, Lizzie has worked and lived in Africa for 14 years. Starting out on trips across the continent as a tour leader on overland trucks, she has sat with a gorilla, slept amongst elephants, fed a giraffe and swum with a hippo and is now something of an expert on border crossings and African beer. For Footprint she is author of South Africa, Namibia, Kenya and Tanzania; has written the only country guide to Nigeria and the first city guide to Johannesburg for Bradt; is author of the AA Spiral Guide to South Africa and Africa Overland, a glossy look at the overland route from Nairobi to Cape Town, is co-author of the DK Eyewitness to Kenya, and has contributed to Turkey and Egypt for Rough Guides. She has written various online African destination guides for leading websites in the UK and US including Frommers, British Airways and World Travel Guide.net. When not on the road, Lizzie lives in Cape Town.
