History's Great Defeats - The Aztecs

Synopsis

When Montezuma's empire fell to Spanish conquistadors in the sixteenth century, the great pre-Columbian civilizations of Mexico came to an end. This book looks at events of the Spanish conquest to understand why the Aztecs lost and what changes their defeat brought to Mexico.

Customer Reviews

Grade 6-10-When Cortés and his small band of Spanish soldiers arrived in Mexico in 1519, the Aztec empire was a great power with a seemingly endless supply of warriors. Despite overwhelming odds, four years later, Cortés ruled. Barghusen's clearly written text explores the weaknesses of this empire and the Spanish conquistadors' advantages in order to explain this unlikely outcome of events. The author relates tales of shifting Aztec allegiances; pockets of resistance and internal strife; and of an invading army that was technologically advanced, more disciplined, and in possession of horses. Using both secondary and primary sources, Barghusen presents convincing arguments. Chapter notes, annotated suggestions for further reading, and a bibliography provide students with other sources of information. Black-and-white reproductions appear throughout. Lana Miles, Duchesne Academy, Houston, TX Copyright 2000 Reed Business Information, Inc.

"Balanced and eloquent. Subtitles in boldface and short highlighted sections on special topics result in an attractive format." -- School Library Journal (December 2000) (School Library Journal 20001201)"This is a worthwhile addition." -- School Library Journal (July 2002) (School Library

Journal 20020701)"The author relates tales of shifting...allegiances, pockets of resistance and internal strife; and of an invading army that was technologically advanced, more disciplined...Using both secondary and primary sources, Barchusen presents convincing arguments. Chapter notes, annotated suggestions for further reading, and a bibliography provide students with other sources of information. Black-and-white reproductions appear throughout." -- School Library Journal (December 2000) (School Library Journal 20001201)
