# Fodor's Walt Disney World With Kids 2016: With Universal Orlando (Travel Guide)

## Synopsis

Kim Wright Wiley has penned 24 editions of this book and really knows her stuff when it comes to planning an Orlando vacation and taking in the attractions at Walt Disney World, Universal Orlando, and SeaWorld. And for this edition she is once again joined by her daughter Leigh Wiley Jenkins. They combine their wit and wisdom with insights from almost 500 families to create a guide that's thoroughly updated, user-friendly, and fun.

ISBN-13: 978-1101878330

Product Dimensions: 6 x 0.8 x 9 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 10 customer reviews

Best Sellers Rank: #876,816 in Books (See Top 100 in Books) #42 in [Books > Travel > United States > Florida > Orlando](#) #53 in [Books > Travel > United States > Florida > Disney World](#) #222 in [Books > Travel > Specialty Travel > Family Travel](#)

## Customer Reviews

"Fodor's is pitched a few notches higher, aimed at a fairly discerning traveler with an appetite for background and the occasional surprise. The New York Times "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions. The Chicago Tribune "In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market. Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail. The Sacramento Bee "Fodor's can help you plan the perfect adventure. The Arizona Republic

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else,

allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

I used the 2012 edition of Walt Disney World for Kids when I planned my family's first Disney vacation four years ago. I liked the book so much that I used the 2016 edition to help me plan the Disney and Universal vacation that we took back in late September. Once again, I found it very helpful. A good portion of the book is the same as what was in the 2012 book. It was still good to read because I had forgotten pretty much everything since it had been four years. There have been two significant changes though Magic Bands and Fast Passes. The Magic Bands that Disney uses now is a room key, park ticket, meal pass and fast-pass all in one and are new since the last time I went. I was glad for the information on how they worked. Also, the Fast Pass system for the rides has changed considerably and can be confusing. I'm glad I could read up on how it worked before planning. My biggest criticism of the 2012 book was that it didn't have much information on the quick-service (fast food) options in the parks. I feel like this book had more information on them this time. The authors also included short descriptions and reviews of all of the sit-down restaurants. There is also information on all of the on-site hotels. All of the rides are rated both by age and by scariness factor which is nice if you have small children. Some of the rides that they are big enough to go on may still be too intense for them. Universal Orlando is included in this book as well. At first I was worried because only two chapters are devoted to it, one for Universal Studios and one for Islands of Adventure. I needn't have worried though. Universal is really small compared to Disney and those two chapters contained all of the information I needed. The information on the Harry Potter stuff was particularly helpful. I would have been totally overwhelmed without the authors' tips on how to navigate the Harry Potter world. I personally think this book is a must if you are planning a Walt Disney World vacation with kids. If my husband and I take our kids again and I'm sure we will I will be using the latest edition of this book to help me plan.

While I have not been down to Disney World yet, that trip is still 6 months away. I have read several books about Disney World in the last few months. I will say this book is really good. It gives you a lot of tips and things I haven't seen in the other books yet. I do wish one of these books would do a chapter for service member families and some of the things offered to them like they do for special need children and babies and such. But that is apples and oranges since I haven't seen any of the

books I had read, but outside of that I think this is an excellent book for a family going down for the first time. I am very happy I brought it.

Perfect book for your Disney trip. Easy to read and follow. Great detail in park attractions, character encounters, dinner options, fast pass, and more!

Very good summary with good honest opinions on almost everything. I would have liked a real life picture here and there regarding subject in discussion but looking it up on YOU TUBE worked quite well. Overall VERY worthwhile for anyone going for the first time. Oh yes and it includes a very good overview of Universal Orlando.

Nice overview for what we needed to plan our visit

Great resource for planning a family trip to Disney World! An objective viewpoint as to how to get the most out of your vacation.

Sent to my grown kids & helped them with our grandkids!

Well written easy to follow
