Customer Reviews

Dipak Gupta is professor in the School of Public Administration and Urban Studies and the Hansen Professor of Peace Studies at San Diego State University. His latest publications include *Clash of Identities* (1998) and the forthcoming *Path to Collective Madness: A Study in Social Order and Political Pathology*.

Recieved the book on time and in the condition promised. All in all a painless experience and I am happy with the purchase.

Se trata de un texto sencillo. No elabora mucho, ni profundiza a niveles especulativos la teorÃ­a de anÃ¡lisis de polÃ­ticas pÃºblicas. Sus principales virtudes son la actualidad, que estÃ¡ centrado en cuestiones esenciales. EstÃ¡ actualizado e incorpora muchos de los hallazgos recientes en la materia y que han quedado fuera de textos como el de Weimer y Vining y el de W. Dunn (que para mi, es el mejor por lo completo y profundo).Gupta le da bastante

importancia y aplicación a todos los estados para el modelado y la toma de decisiones de política pública. Lo recomiendo como una introducción general.

This book was very easy to read and the examples are taken from actual events. This helps greatly when preparing for real world issues.
