Customer Reviews

"The writing style is compelling, the coverage of theories is strong, and the boxes are good at promoting critical thinking." "The section on terrorism is the best I've read in an intro book--concise and balanced." "This chapter provides a very clear discussion of economic concepts and terminology, which is extremely helpful when teaching IPE to students with very little economics background."

Paul D'Anieri is a professor of political science as well as provost and executive vice chancellor at the University of California, Riverside. He has taught international politics for over 20 years. His research focuses on and foreign policy in the post-Soviet states, and especially on Ukraine-Russia relations. Dr. D'Anieri's books include *Economic Interdependence in Ukrainian-Russian Relations*;

Understanding Ukrainian Politics: Power, Politics, and Institutional Design; and Politics and Society in Ukraine. His articles have appeared in numerous academic journals and books on Eastern European politics. He received his Ph.D. from Cornell in 1991.
