Customer Reviews

Leisure Arts is a leading publisher and distributor of "how-to" and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining.Ã Â Leisure Arts is located in Little Rock, AR.

Received book today and can't wait to get started stitching. Will have a new grandaughter this year & she will have a spectacular stocking. The variety is great & they are quality designs. Probably will stitch the snow globes stocking. It is beautiful and different. The pattern is large enough for older eyes to see.

This is one of the best collections of stocking patterns I've found! I have been counted cross stitching or needlepointing stockings for my grandkids, and this book will be used for many of these treasures! Used? Came in perfect, like-new condition! Thank you!

Beautiful designs and the only place I found a dog themed Christmas stocking.

Donna Kooler is absolutely my most favorite cross-stitch pattern designer. This book contains some of her best ideas yet. I am going to start with the "Snowglobe" pattern simply because I paged thru the book with my eyes closed and that's the one I landed on! This one is going to be for my oldest niece and it's a toss up between "Winter Fun on Ice" or "Curious Cats" for my younger niece.

Donna's patterns have the easiest dirctions and graphs to work with. The *only* problem I have with this book is that the patterns are not in color. All of her other books that I have (4 total) all have the color coded graphs to follow and it makes stitching so much easier because #1-You know what color you are looking for and #2-I find it easier to count how many stitches I have to do. Bottom line is, I LOVE Donna Koolers designs and those projects always turn out beautiful! KUDOS to KOOLER!

I had borrowed this book from a friend and knew I wanted to add it to my library. It is a great book and the charts are easily read.

Looking forward to starting one for my first Grandson!

I love cross stitching and wanted to make stocking for my family, since I was making multiple stocking and I wanted the backing to matching I bought this book, The stocking are cute and can range in age and gender, it even has a stocking for cats and dogs. I liked this book so much that I bought Donna Kooler's Second Edition Stocking Collection so I could make stocking for other family members.

Very clear graphs to follow. The stockings are beautiful, more original than what you can buy in a kit <u>Download to continue reading...</u>
