In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Students can use the URL and phone number below to help answer their questions:

<http://247pearsoned.custhelp.com/app/home> 800-677-6337 Substance Use Counseling is

intended for use in Substance Abuse Counseling and Drugs and Behavior courses or for practicing counselors and clinicians as an on-the-job resource. A step-by-step guide through the process of working with substance-abuse and/or behavioral addiction clients.

Recognized for its clear, practical approach, Substance Use Counseling offers prospective and practicing clinicians and counselors a sound base of knowledge about alcohol, tobacco, and other drugs (ATOD), and practical help for working with individuals and families who seek assistance for substance abuse and/or behavioral addiction. While the chapters build on each other as they take readers through the counseling process, each chapter can also be used as a stand-alone resource.

Illustrative case studies with critical-thinking questions give readers opportunities to examine and discuss a wide variety of cases. This popular guide also features individual chapters on special populations to delve further into the topic of substance abuse and address ways to measure the problem. To keep readers up to date with the most current practices and trends shaping the field, the Sixth Edition reflects the changes in the DSM-5 related to the criteria for assessment and diagnosis of substance use disorders (including a new chapter on behavioral addictions and extensively updated terminology); the changing face of substance use; new effective treatment assessments, methods, and settings; and new chapter cases. Also available with MyLab

Counseling This title is also available with MyLab Counseling™ an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results.

Within its structured environment, students see key concepts demonstrated through authentic video footage, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.

Dr. Patricia W. Stevens is a retired Counselor Educator currently in clinical private practice in Louisville, CO. She trains student counselors through online teaching. Dr. Stevens also consults with universities in program development and accreditation (CACREP, NCATE/CAEP).

Dr. Stevens is a member of ACA, AAMFT, and served on the CACREP board for eight years. She has held multiple leadership positions in ACA and its divisions, including President of the IAMFC, Board-Member-at-Large of AACD, and Co-Chair of the Professional Standards Committee. Dr. Stevens has also served on several editorial boards of ACA and its divisions. Though retired, she continues to be active in the profession and her clinical work. Through the years she has delivered more than 70 presentations at the local, state, regional, national, and international levels in the areas of substance abuse, gender implications in counseling, challenges of aging, and ethical/ legal issues in counseling. In the counseling field, she has published more than 50 articles, chapters, and books. Dr. Stevens has prepared and taught more than 26 different courses in the counseling curriculum. Dr. Stevens is a Fulbright Scholar and works with the Red Cross as a Mental Health Disaster Relief volunteer. She volunteers at her local Red Cross and her local senior center.

Robert L. Smith, Ph.D., FPPR, is Professor & Chair of the Counseling and Educational Psychology Department, as well as the Doctoral Program Coordinator at Texas A&M University-Corpus Christi. He completed his Ph.D. at the University of Michigan. As a licensed psychologist, he has worked as a private practitioner in addition to serving as the chair of three counselor education programs. He is the author of several books and more than 80 professional articles. He serves as the Executive Director and co-founder of the International Association of Marriage and Family Counselors. He is also the founder of the National Credentialing Academy for Family Therapists. His research interests include the efficacy of treatment modalities in individual psychotherapy, family therapy, and substance abuse counseling. He is a Diplomate-Fellow in Psychopharmacology with the International College of Prescribing Psychologists and consultant with the Substance Abuse Program in the U. S. Navy. Dr. Smith as an international lecturer is currently involved in the development and implementation of graduate programs in counseling and psychology in Latin America.
