Seventh-Day Adventists Believe

Synopsis

Jesus, the central focus of Scripture and history, is also the central focus of Adventist doctrine and experience. In this dynamic book, the basic beliefs shared by Seventh-day Adventists are at your fingertips, ready to be explored, appraised, studied, and substantiated. This single volume shows in detail how each belief is grounded in the Bible and focused on Jesus Christ. The different beliefs, or doctrines, emphasize different facets of Christ's lovely character. Each one reveals more of what He is like and what a relationship with Him means. *Seventh-day Adventists Believe* stands as an authentic resource on Adventist doctrine because it is written by Adventists themselves - more than 230 men and women were involved in the production of this book. Many of them contributed insights gained from years of study, prayer, and their personal walk with Jesus.

This is an awesome book that kills all the lies people spread about Adventists being a cult or that they put Ellen White above the bible. If you read this and follow along with prayer and a real desire to seek truth Jer 29:13 and John 17:17 you will see that everything 7th day Adventists believe can be found in God's holy Word.

This book is a required textbook for a college course but I have benefited so much from reading it. I think that even non-SDA believers can learn as well from this book, not only because it has the fundamental beliefs of Seventh-Day Adventists, but because there is much more than simple beliefs. It is also a good bible study tool for pastors, theology students, church elders, laymen, or even for any church member to go over the church's beliefs. It is definitely not a boring book as it may seem.

This is an excellent primer on Seventh-Day Adventist beliefs. It doesn't wade into deep theological waters but clearly explains the 28 Fundamental Beliefs of the church from Who is God to the basic end-time message of the church.

Tells you what they believe without a shadow of doubt. I would recommend reading about Mr. Miller and Mrs. White however, really think a lot of what they do is based on the "interpretation" of the bible and would check that out too if you're looking for a complete overview of what they believe.

I love the faith I live in Christ. If you want to know more order this book.

When used properly it is a great tool for indoctrinating new Adventist believers. A refreshing change from the old worn out methods used for more than a hundred years.

I actually ordered a used one just to confirm a topic of interest that is conflicting depending on your religious belief.

Having experience in many denominations as a minister I can say without reservation this volume is an in-depth theological treatment of doctrine that is respectful and rich in material. Any denomination could learn and use this book for training. There are some distinctive Adventist beliefs

as title implies but for the most part this book is good for any study in what the Bible says.
