Customer Reviews

Wonderful pictures of the cast as always. I get these for my mom every year and like to look at the photos myself. I'm always happy that they even include the "lesser" members like Scotty.

As a 14 year old in 1966 I have watched and loved the original Trek ever since. There has been nothing like it including the new series. This is the third year I have purchased this calendar and I love it. The photos are high quality and very clear. I love the design of the calendar and the special quote at the bottom. Very Star Trekish

I look forward to my Star Trek wall calendar every year, and I'm never disappointed. The selected pictures are great choices. The colors vibrant and the paper quality is excellent.

And again this item was delivered to my apartment between the hours of 10:30AM and noon on the 9th day of January in the year of 2017. I really love the original Star Trek and this brings my mind back to those days when the television show aired. I was a little young so I was exposed to the reruns. I don't know if I want to say I'm old enough to remember the original because that just adds years to me.

In this day and age, most of keep our schedules in our smart phones or computers. However, I have always been old school about physical calendars. I also find them as pieces of art and have saved them over the years. Absolutely love the quotes in included as well. My only qualm is that holidays are filled with red so it is difficult to see anything written on that day.

Very pleased. High quality images. A must for any Trek fan!

I always have a Star Trek calendar in my office!

Nice calendar. Just not what I expected.
