Customer Reviews

Poems that stir and haunt the restless soul. A delightful collection worth reading and rereading. After reading the kindle version, I bought a hardcopy for my library.

I'm so grateful that a lot of these older books are being re-issued for a much younger audience to

enjoy them. This book is one that you will continue to read through the years. And pass it on to a youth that adores poetry.

I keep this small book of poems on our back porch. Perfect for early morning reads. Nice selection of poems on which to reflect.

Awesome poetry, but the book was a lot smaller than I expected. I can't remember if the description told the number of pages, but I should have checked. It's really inexpensive, so I would say it's still worthwhile.

An interesting variety of subject matter, and authors both past and recent. A good read for lovers of adventure, and lovers of poetry.

Poems. Read them. I read them for meditation.

A must for any wander-lusting traveler.

A brilliantly put together collection of poems that make you long for the open road and rolling sea, definitely a worthy addition to your mind.
