Playing Together As A Worship Band (Maranatha! Worship Leaders Workshop)

Synopsis

From Maranatha! Music---over three decades of worship music, resources, seminars, and experience combine to help you and your worship team lead others in God-honoring, life-changing worship encounters. The worship ministry at your church may consist of just you and your keyboard or guitar. Or it may involve a full-scale team approach. Whatever your circumstances, like David, the psalmist-king of Israel, you want to give God and his people nothing less than your best. The Maranatha! Worship Leader Workshop is for you. Drawing on the insights of some of today's most talented worship leaders and musicians, here is the ultimate training tool for worship ministers. You'll learn principles and techniques that can help your worship team attain new levels of excellence quickly, and you'll see and hear them demonstrated by top Maranatha! musicians. This fascinating, enjoyable, and highly effective blend of discussion and example is like a seminar in a box---only it costs far less, and you can 'attend' as often as you like. It's fun . . . it's inspiring . . . and it works!

How to Get Off the Ground and Soar as a Group This workshop lays the basics for effective team ministry. From musicians to vocalists to sound technicians, you and your worship team will learn the essentials as well as professional tips for building cohesiveness. Ed Kerr is your host as you gain insights from Maranatha! musicians and vocalists, then work with them through an actual tune to see how a variety of different concepts all work together. Completing the kit is a copy of the book *Playing Together as a Worship Band*, which expands on the concepts presented and offers further insights. Additional copies are sold separately; every team member should have one to gain maximum benefit from the workshop. Here's what it takes to produce a tight sound and service-oriented approach that helps others experience God's presence through music.
