Customer Reviews

“*A Wrinkle in Time* is one of my favorite books of all time. I've read it so often, I know it by heart. Meg Murry was my hero growing up. I wanted glasses and braces and my parents to stick me in an attic bedroom. And I so wanted to save Charles Wallace from IT.”
— Meg Cabot
“A book that every young person should read, a book that provides a road map for seeking knowledge and compassion even at the worst of times, a book to make the world a better place.”
— Cory Doctorow on *A Wrinkle in Time*
“A suspenseful, life-and-death drama that is of believable cosmic significance. Complex and rich in mystical religious insights, this

is breathtaking entertainment. *School Library Journal*, starred review on *A Wind in the Door* “Madeleine L’Engle mixes classical theology, contemporary family life, and futuristic science fiction to make a completely convincing tale that should put under its spell both readers familiar with the Murrays and those meeting them for the first time. *The New York Times Book Review* on *A Wind in the Door* “An intricately woven fantasy ... Theme is L’Engle’s greatest forte, and once again she proves this with a compelling plot, rich in style that vibrates with provocative thoughts on universal love, individual caring, and the need for the joy in living. *Booklist*, starred review on *A Swiftly Tilting Planet*

Madeleine L’Engle (1918-2007) was the author of many acclaimed books for children and adults, including novels, collections of essays, plays, and poetry. Among her children’s books she was perhaps best known for *A Wrinkle in Time*, which won the Newbery Medal. Bought this for myself to read after surgery during my recovery period. I remember reading the first book in the set as a child and loving it. This set is very nice and I loved reading them. Convenient that the books are in a little box so that it’s easy to lend the books to others. The set came on time and was properly packaged by . :)

I have loved *Wrinkle in time* since I was a kid. I have 3 sets in paperback, but had not realized there was a 5th book. I love having it on my Kindle.

Wonderful for all ages. The author has a sensitive regard for life and her readers. Wow! This was a gift to grandchildren since I personally love the set.

I’ve started to read this series to my kids. I remember reading the first one as a kid but didn’t know there was an entire series! To my pleasant surprise, they come in a nice box set. Perfect!

11 Year old girl loves this set!

I read Madeleine L’Engle when I was much younger and enjoyed reading them myself. Now I enjoy giving the books to young people. She’s continues to be worth reading!

I first read A Wrinkle In Time as a child, and loved it! It was so wonderful to reconnect with these beautiful people, and the stories I hadn't read then charmed me as well. Great books for young people (and the young at heart).

12 year old seems to enjoy the series
