Divine Architecture And The Starseed Template: Matrix Memory Triggers For Ascension

Synopsis

We are now at a time in our planetary evolution known to many as 'ascension'. Those individuals who are known as 'starseeds' are currently in their millions and are collectively going through an awakening process. Why is this happening? What does the awakening entail? Magenta Pixie has been communicating with the 'White Winged Collective Consciousness of Nine', a sixth dimensional 'monadic light structure', about these concepts for the last 24 years. They have spoken much of 'memory recall' and the reconstructing of the original DNA template. In this transmission, they bring forward 'memory triggers' designed to act as a catalyst into the awakening process at various stages and respond to many of the questions which the starseeds are asking. Why are we here? Who are we? What are we supposed to do? What is it that we are to remember? Why did we lose our memories in the first place? What is the call of humanity? What is the fall of man? What is 'zero point'? Is it true that we can travel through other dimensions through the activation of our Mer-Ka-Bah? How is 'the lost city of Atlantis' connected to our memory recall? The Nine present a model of working with the individualised matrix field, known also as the Mer-Ka-Bah, through 'Matrix Architecture' and 'the golden triad of ascension'. An in depth analysis and explanation of the 'twin flame consciousness' and how this relates to the ascension experience is part of this transmission. Embracing the inner archetypes of the 'Alchemist' and the 'Architect' and knowing how to construct your own personal matrix will move you into the memory recall needed. This transmission will take you on a multidimensional journey of profound discovery as you move into the creation of the Divine Architecture. The triggers contained within this material are there to assist you in accessing the codes for the new formation of the original crystalline DNA matrix known as the 'Starseed Template'.

Customer Reviews

Great activation to access your crystalline lightbody from the original master blueprints or templates of full DNA expression. The 12 x 12 or original templates of the 144,000 which we were all created within. I really love all Magenta Pixie's material as it is from the DNA itself and resonates very deeply with me. There are many paths to the truth which allows for our unique expressions and individual discovery of our full potential. The keys and codes are inside each of us waiting to be discovered and this book stirs the memories within.

I, Josh's wife audible read this broadcast of codes, activation and details explanations of why's and how's of my personal knowing that I needed more guidance. The broadcast was felt very powerful and internally. I love the strength, love and emotion that radiates from the words. I purchase the hard copy after reading because the specific metaphors instantly activates my intentions and the meditations manifested an extremely instant body reaction that I knew I needed the physical version as back up. Thank u for being the vessel of bringing forth the knowledge to us. It's was right on time and at the exact moment of my growth to over stand the transmission.

Our individuated unique human experiences are often portrayed as if they are this or that.. when in fact as this book points out they often are both! I found tons of correlating I have 'stumbled' upon during the last 10 years! I think this is an awesome book.. and as always take what resonates. Hugs Ollie

Reading this book opened me to new levels of understanding. I especially like the message that this material is now coming through many channels and that one should follow one's own intuition to find

one's own truth.

Great experience of a infinitely deep subject, told in a way that promotes sovereignty and empowerment.

This book was amazing from start to finish. I could not wait to read each day, and the wonderful enlightenment at the end was divine.
