## Customer Reviews

Wanderlust Travel Awards 2009 – 2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview loaded with practical and useful content." – Gadling.com "Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." – Chicago Tribune "The best option! Color photos, maps, and diagrams bring the place to life." – The Philadelphia Inquirer

I love these books they give such great ideas on things to do on your vacation. This has pointed me in the direction of where to look for things to do in Las Vegas.

Taking a trip to Vegas with my boyfriend, and wanted a little guidance. This was perfect. Not too clunky, so we could take it with us, wherever! Had suggestions on how to plan your day, a small

map, and as it says, top ten on everything. Even, best ways to gamble or stay safe. It really is a helpful book for first time tourists. We got to fit in quite a bit with the help of this wondrous, little book. Certainly recommended.

This book does get straight to the point of which places top the list for everything you can imagine (dining, hotels, nightlife, etc), but their judgement on which places are 'best' seem to be a bit off. I would rather recommend one of the other Vegas books (such as Frommer's) to anyone who has never visited. They give much more detailed info about a wider range of options, without giving their obviously biased opinion on which is best. I'm sure the writers of this book were well compensated for putting certain businesses at the top of each list..

We have been to Las Vegas several times and when we're planning another trip, I like to get a current guide book. This was just right for us. Maybe first-timers to Vegas would like a longer/bigger guide book, however.

Going to Vegas for another girls weekend and wanted to show a little bit to a friend who has never been. This little book has a lot of information and fun pictures.

Eyewitness travel guides excellent as usual. I took it with me every day and felt like I really got the most of my trip.

Hard to go wrong w/ DK Top 10 for any destination.

This book was essentially a list of casinos. There is more to Las Vegas than the casinos and anything revolving around it.
