# Frommer's Honolulu, Waikiki And Oahu (Frommer's Color Complete)

## Synopsis

Full-color throughout! Insider advice on avoiding the crowds as you explore Oahu, from the world-famous Waikiki Beach and Diamond Head Crater to Honolulu's Chinatown and museums. Plus tips for discovering the "real" Oahu as the locals see it, from attending a Hawaiian-language church service to taking in a fish auction. Where to find the absolute best beaches, adventures for thrill-seekers, hiking trails and golf courses, and luxurious spa resorts. Insightful commentary from our expert author, a resident of Hawaii's Big Island, on Oahu's dazzling array of activities, from snorkeling and diving to how to plan a wedding on the island. Opinionated reviews. No bland descriptions and lukewarm recommendations. Our expert writer is passionate about her Hawaii—she tells it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity—no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. User-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Hundreds of photos Easy-to-read maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors Find news, deals, apps, expert advice, and travel forums at [Frommers.com](#)

A resident of the Big Island, Jeanette Foster has skied the slopes of Mauna Kea during a Fourth of July ski meet, no less and gone scuba diving with manta rays off the Kona Coast. A prolific writer widely published in travel, sports, and adventure magazines, she's also the editor of Zagat's Survey to Hawaii's Top Restaurants. In addition to writing this guide, Jeanette is the author of Frommer's Hawaii Day by Day, Frommer's Hawaii, Frommer's Maui, Frommer's Hawaii from \$80 a Day, Frommer's Kauai, Frommer's Hawaii with Kids, and Frommer's Portable Big Island.

Currently, there is no "good" guide for Oahu, in my opinion. Like maps of the island, most are a couple of years old; and basically only cover the Waikiki area (where the majority of tourists tend to go). This one is better than most, covering mostly tourist hotels and tourist attractions. Probably "Oahu Revealed" is a better bet if you want a more complete picture. And, as far as maps go, these are okay; but Nelles maps (also a couple of years old) are probably better. If you intend to stay in Honolulu/Waikiki for a week, this book will do. But, to venture out toward North Shore and the other side of the island, you will want other maps and guides.

A good read we definitely will go here next year. After reading this book we hope to spend at least 10 days in Oahu with a week each on other islands. We have been here before only for short times but after reading this book we realize how much more there is to see especially involving the history of Hawaii which interest us greatly. I would recommend this book to any one wanting to visit Oahu, reading the restaurant reviews I started to feel very hungry can hardly wait to we go. Still not much for the handicapped person especially mobility impaired persons using wheelchairs or electric scooters which must include many people nowadays need to know these things as we can't catch buses or walk distances.

Visited Oahu for a week in August and brought along this book. This was my 3rd trip to the island and still found it useful. Like the top 10 section and how they consider different price ranges. Also enjoyed the little section on suggested itineraries for a 1 or 2 week trip & how they broke it down to what to do each day. Used the book mostly for the attractions to see & other resources for hotels and restaurants. I'm sure you can find the same type of information online, but it was nice not to have to spend the time to do the research and have it in book form to make any notes.

sadly doesn't make the flight any shorter. But it was very helpful to get around. Beautiful state - beautiful memories - thank you book for helping us not miss stuff

Bought this book twice because I lost it after my first trip to Oahu. This is by far the best selection for things to do, places to eat, where to go, when to go etc. We learned so much I left the book with my friends who I was staying with because they didn't know half of what it contained and they lived on the island!

Complete review for my holiday on the islands; pictures are accurate and help to make plans; accurate and comprehensive.

I highly recommend this travel guide for anyone wanting a concise, thorough listing of all aspects of visiting Oahu. I read several travel guides prior to purchasing this one for my personal use and to take with me on my trip.

Great book, love it bunches. Well worth the money spent. Arrived quicker than expected and was well packaged for protection.
