Debating Democracy: A Reader In American Politics

Synopsis

Designed to accompany any American Government text, this engaging reader features a debate-style format that includes two readings per chapter--each representing opposing viewpoints. The unique format and current content give this book a distinct advantage over other readers. The seventh edition incorporates up-to-date chapter introductions and new debates on issues such as corporate spending in elections, same-sex marriage, and negative campaigning for a fresh look at the hot-button issues in modern American government.

Customer Reviews

"I think the text is great. The vast majority of the articles are easy for my students to understand even when the author's arguments are complex." - Stefanie Chambers, Trinity College
"Provides much greater insight into the kinds of questions we deal with in our discipline, and raises issues that are more fundamental, theoretical, and structural in nature." - Alan Beck, Santa Fe College

Bruce Miroff earned his Ph.D. at the University of California, Berkeley. He teaches and writes in the areas of the presidency, American political theory, and American political development. He is the author of *PRAGMATIC ILLUSIONS: THE PRESIDENTIAL POLITICS OF JOHN F. KENNEDY*; *ICONS OF DEMOCRACY: AMERICAN LEADERS AS HEROES, ARISTOCRATS, DISSENTERS, AND DEMOCRATS*; and *THE LIBERALS' MOMENT: THE MCGOVERN INSURGENCY AND THE IDENTITY CRISIS OF THE DEMOCRATIC PARTY*. He regularly teaches an introductory lecture

course on American Government and has received a teaching excellence award from SUNY Albany, where he is currently a professor. Raymond Seidelman earned his Ph.D. at Cornell University in 1979; he was a professor of political science at Sarah Lawrence College and wrote *DISENCHANTED REALISTS: POLITICAL SCIENCE AND THE AMERICAN CRISIS* (1985), a much-discussed history of the discipline. His areas of specialization included elections, voting, and political theory. Todd Swanstrom earned his Ph.D. from Princeton University in 1981. Specializing in housing and urban policy, political economy, and metropolitan planning, he is co-author of *PLACE MATTERS: METROPOLITICS FOR THE TWENTY-FIRST CENTURY*.

It's a book that I have to rent. Great quality and timely delivery. I can't give 5 stars because it was perfect but as rental it's great.

Not interesting to read at all.

Great read! Recommend it!

This book was in good condition, no complaints.

Do not get the kindle version of this book! Half of the book is redacted for copyright reasons!

ÃfÃçÃ â -Ã â

This book is outstanding and great for any government class as a companion to any government textbook. It offers opposing viewpoints on common chapters in introductory government books. All the information is interesting and is beneficial to every citizen. It is also great for gov't students hoping to increase their knowledge and perspective on commonly debated topics in America.

This book is exactly what the teacher wanted, although the language is kind of confusing, the book is used by the professor to get the class talking about certain issues. awesome book.

Great book. Has a lot of useless stories in here. Love it.
