Customer Reviews

So sugary sweet!!!!Never disappointed when reading one of Frankie's books!!Clive is a handsome rugged piece of man candy. Every woman wants him!! Clive though wants nothing to do with love. After witnessing the tragedy of his sister losing the love of her life Clive didn't want to put a woman through that kind of loss.Hazel is new to town. Working on her future after losing the ones she loves. She's super sweet just like the candy she makes.You could feel the connection between the couple

right from the start. Their chemistry was intense. Is it enough though for Clive to give in and look forward to a future with the sweetness that is Hazel.

Yum! That's all I can say about our hot alpha Clive. Hazel ever so sweet and deserving a good man. These two were surely meant to be together. Granted it took Clive a life threatening experience to come to his senses but oh my when he did! Read and enjoy this sexy sweet story. You know if Frankie wrote it it's definitely got you tingling and swooning!

Really good story with interesting characters.

In the very last pages of Frankie Love's books, you will find the section About the Author-The statement "She also believes in the power of a quickie." Should really be her motto. It's all Frankie Love's fault! I never was into this who "beard" thing (hubby still can only have a goatee *baby steps*) sigh.. once I started reading her Mountain Men books, she got me wondering... what is life like on the scruffy side. Now I have this fascination with it- and these mountain men books of hers! This sweet treats, heart squeeze with an emotional twist is such a fun romantic insta- all read! I enjoy reading these books from Frankie Love I know I am going to get all my fixes in one short sitting and walk away just as happy as I would, had I read a full novel! I recommend them to anyone who needs a pick me up or just wants some extra naughty fun added to their day. I voluntarily read an advanced readers copy of this book

Books are my escape and I have some authors that I devour their books as soon as they write them, Frankie Love is one of those for me. This book starts out pulling at my heartstrings and keeps that emotion all the way through the Epilogue. It's short but sweet with an HEA! Clive has decided he will never offer to share his life because of the danger of losing his life, which is what happened to his friend and brother in law, and leaving her with a broken heart, until he meets Hazel. Hazel is new in town and all alone, not just in this town but in the world. A handsome man brings his niece and nephew by her candy cart but she doesn't have anything Uncle Clive would like, or at least that's what Hazel thinks. Clive would rather let Hazel go and walk away from her than to take the chance of hurting her. Will he be able to give her up? What does it take to wake him up? This is a short sweet read and I highly recommend it to all who enjoy a good love story with an HEA. This book brought on all the feels that we look for in a romance. I had smiles, hope, heartbreak, tears (yes I cried through parts) laughter and finally the HEA that I hoped for. I voluntarily reviewed a complimentary ARC of

this book but purchased a copy as soon as it was available so I could OWN MY BOOK!! I gave it a 5 star rating because I felt it was well written. Thank you Frankie Love for sharing another of your awesome books with your loyal readers. I can't wait to read your next one.

I do love a Frankie love romance, I know what I'll get - insta-love/lust, alpha male, virginal sweet heroine and some steamy times. However "Mountain man candy" was far sweeter than we normally get from Frankie and I really enjoyed it. Clive swore he would never fall in love - he did not want to leave anyone to mourn him if he died like when his best mate and brother in law died. Hazel wanted to start fresh after a horrific tragedy in her past. She wants a new start so moves to this lovely mountain town and sets up a candy cart. She quickly meets Clive when he brings his niece and nephew over and there was instant sweetness between these two - beyond the candy. Despite the insta connection and chemistry, will his fears stop the romance before it starts or will Hazel be the one to break his walls down?! This had great characters, and was a great storyline. I read it in one sitting - super quick. I also adored the strong secondary characters (Clive's sisters are great!) ... I hope the sisters get their own story. This was once again another wonderful read from Frankie Love. Keep them coming!!! I am a verified purchaser in Australia

This is a sweet story about how love can just surprise you when you least expect it, or in Clive's case are actively avoiding it. Clive has sworn to never fall in love after watching what his sister went through when her husband died. All it takes is one stop at Hazel's candy truck for his intentions to go out the window. Hazel is sweet, young and has had a very difficult life so far. She is looking for someone who isn't afraid to love her. Clive tries to fight what he feels but in the end realizes that he has fallen in love with Hazel and doesn't want to try to fight it anymore. I enjoyed the story and all the characters. As with all Frankie Love stories it is a quick fun read full of sweet and steamy moments. I think Frankie did a good job of setting up what will be two more stories with these characters and I am looking forward to watching each of them find their own love. I read an advanced reader copy provided to me by the author
