# DIRTY (Biker MC Romance Book 3)

## Synopsis

LEX - The victim of a human trafficking ring, I was confined to a tiny bedroom with seven other women. The conditions were horrific. They'd taken my freedom, my clothes, and, eventually, what little hope I clung to. Then, one night, we heard gunshots. Prepared for the worst, I stood with my eyes fixed on the door, ready to meet my fate. And then, he opened the door. He saved me from the monsters. Then, he simply walked away. Never in my wildest dreams would I have thought that one day I would save him from his. CHOLO - My focus was the Motorcycle Club, boxing, and work. I'd never been on a date. I guess it goes without saying that I'd never been in love, either. I had my share of sex, but my relationships always ended when the night was over. That all changed after I rescued her. I wasn't trying to be a hero, but she saw me as one. She said I saved her from the monsters. Want to know the truth? She saved me from mine. DIRTY is a stand-alone romance novel, and is a Biker MC Romance with no cheating, no sex outside the relationship, and no cliff hanger. It has an HEA, and is Book III of the Biker MC Romance series. Although no other book is required to tell this tale, it is recommended that you read HARD and ROUGH to fully understand the ancillary characters. Due to the content of this book, please be over 18 to read it.

## Customer Reviews

Scott Hildreth has done it again! Dirty is the latest release in his newest biker romance series and is proof of why Scott is a master of writing! Fair warning and without spoilers, Dirty does deal with some darker aspects of life involving abduction, assault and torture. However the true story is the growing love between Lex and Cholo. Both are strong and independent characters that prove how powerful a person can be if they can believe in themselves. Cholo will steal your heart with his tenderness and emotions "....I'd ride my motorcycle 550 miles to the Grand Canyon just to watch the sunset, and then ride back the next day. I went there because there was nowhere else that I knew of that was as beautiful, as magical, or as perfect....there's a lot of beautiful women on this earth, and none of them compare to you. So, if you find me staring at you, it's because doing it saves me a 550 mile drive." Yes!! He is that swoon worthy! This is the 3rd in the series, but can be read alone-- But why??? Fans of the series will be happy to see more of Crip, Pee Bee and others in Dirty's story.

Feeling kind of shell shocked right now as I try to take in and process Scott Hildreth's newest release DIRTY. This book had everything I have come to expect from a Hildreth book and so much more. It was insanely intense, raw, dark at times and yet full of romance and hope. The book opens with Alexandra as a kidnap victim from an infamous drug gang being forced into despicable acts. Right away you get a sense of just how strong she is . . . as she is willing to do everything, including place herself in the kidnappers path to try and keep her fellow kidnap victims safe from harm. When an old family acquaintance asks for help finding her kidnapped daughter, Cholo finds a way to locate and rescue Alexandra and the rest of the victims he unexpectedly finds. Cholo is immediately intrigued by Alexandra and keeps finding ways to check up on her to see how she is doing. Both Alexandra and Cholo have baggage, and Scott does an amazing job of building their relationship for readers. It is a slow and intense build, as neither is ready for commitment, yet done beautifully. Lex is an amazingly strong and loving female lead, and Cholo is an absolute hero in this book. Cholo's mother Maria is a gem of a character and the MC brotherhood we have come to know and love through the first two books of this series also plan a large role in this intense tale. DIRTY was for me the darkest and most intense book of this series so far. It contains harsh scenes of abuse and torture, that play a significant role in moving the plot forward. However, in true Hildreth fashion, along with the dark is the beautiful light of brotherhood and love for family, both old

and new as well as hope for finding your way forward and out of the past and into the life that these characters so richly deserve. I truly loved Lex and Cholo's story and can't wait to see where the series takes us next. 5 stars.

It's extremely difficult to find words adequate to describe this Scott Hildreth story. It's Book 3 in the series and yes, the previous 2 are excellent but this...this is beyond. Our hero, Cholo, MC club protector extraordinaire, meets his fate in Alexandra, our heroine that possesses strength beyond our mortal comprehension. Their story involves brutal kidnappings that jolt our feelings, revenge (that we root on), redemption and yes, newfound freedom and love. Cholo is so much more than just muscle and hardened protection. We fall for a man that lets his heart define him. No spoilers, but Chapter 25 absolutely brought me to my knees. Can Cholo protect her and can Alexandra heal him? This is not only a must read but a soul-stirring story! 5-Stars aren't nearly enough!

NOT SURE ABOUT DARKER ROMANCE???? THINK AGAIN. I went into this book thinking it would be a challenge for me personally because I am basically a wussy when it comes to a dark romance. I do not usually embrace a darker book, because frankly I am a huge fraidy cat when it comes to evil and violent scenes. LOL- but I trusted that this author would not leave me sniveling in the corner afraid of my own shadow. And Scott Hildreth does not, trust me, \*wink\*. I have read this book more than once and I can honestly say that I fall in love with this complicated story a little more each time I read it, because in true Hildreth fashion the LOVE is in the details; details that I do not always catch the first time around. There are many layers to this amazing story, and I have loved discovering each and everyone. BWAHAHAHA! Well all the ones I THINK I have figured out, I am sure there are many still to learn...THIS BOOK DEMANDS MANY BOOK DISCUSSIONS!!!! This POWERFUL story grabs you right from the beginning with one of the most page turning prologues that this reader has ever read. The introduction to the main characters was brilliantly woven into the storyline of this novel. This saga introduces you to the heroine first. My respect for a lead female character has never started as quickly as it did for Alexandra Hart. Normally I need to read about a personality for several chapters before I can bond with them, not so in the case of Lex. This woman in a word was BEAUTIFUL. She was the type of beautiful that cannot be seen by the eyes but can be felt in the soul. The complexity that Mr. Hildreth inserted into this individual is still hitting me, for the story is still running through my brain. LOL! I will be driving or in the line at the grocery store and another thought will come to me. OHHHH YEAH, NOW I GET IT. And for this reader I LOVE THAT!!!! \*Gathering my hair into a bun & cracking my

neck\*Ok, ummm. Now; Cholo. Adam Downey was a puzzle for me, and I can honestly say that I am still working on putting all his pieces in the correct places. I LOVED THIS CHARACTER!!! He was not what I expected, and with each chapter he showed me a new side of himself. With each turn of the page I was blown away with what he did and who he was. But what I loved most was that there was nothing predictable about Cholo, how he chooses to handle what was put in front of him was simply outstanding. I do not want to get into specifics because you must read to draw your own picture of Adam in your mind, but please you need to meet this character. He will steal your heart, with each tip of his hat. I promise. Although this was probably Mr. Hildreth's MOST INTENSE novel to date, it is not without it's humor, and most of those scenes involved the supporting characters. If you do not walk away from this novel loving Sandy, Maria, Smokey, and the familiar faces we already love; we need to take your temperature. Mr. Hildreth did an amazing job in creating complex and unique characters that showed in the most courageous and heart-warming way the power of the human spirit. The connection that developed between the main characters was REAL, it involved patience, respect, laughter, friendship, concern, and unconditional love. I cannot help but admire and learn from how Adam and Alexandra walked through their experiences. For this Pollyanna reader I can honestly say that this powerful, dark, gritty, and intense novel left me with nothing but HOPE. Please step outside of your box and enjoy this life changing story, I did...Mr. Hildreth YOU ROCK. WELL DONE. That is it, that is all I got.
