The Urantia Book: Revealing The Mysteries Of God, The Universe, Jesus, And Ourselves

Synopsis

The Urantia Book, first published by Urantia Foundation in 1955, was written in the form of a revelation by celestial beings. Many who have read it accept it as such — and of course many do not. The facts about how it was reduced to written form are unknown. However, regardless of the reader's approach to the text, the contents of the book are of real interest to all who are exploring the realms of religion and philosophy, or who are working on their own personal spiritual growth. The book's material covers a broad spectrum of inquiry — from the genesis, history, and destiny of the human race, to our collective and individual relationships with God the Father. It proposes a consistent and compelling integration of scientific, philosophic, and religious thought. It builds upon the world's religious heritage to describe a sublime destiny for humankind, encouraging a personal, living religious faith as the key to individual spiritual progress. The fourth part of the book presents a unique and compelling portrayal of the life and teachings of Jesus. The Jesus of The Urantia Book reaches out beyond the constraints of "mere Christianity" to touch the hearts of readers of all faiths.

LoveLove is truly contagious and eternally creative. (p. 2018) â œDevote your life to proving that love is the greatest thing in the world.â • (p. 2047) â œLove is the ancestor of all spiritual goodness, the essence of the true and the beautiful.â • (p. 2047) The Fatherâ™s love can become real to mortal man only by passing through that manâ™s personality as he in turn bestows this love upon his fellows. (p. 1289) The secret of a better civilization is bound up in the Masterâ™s teachings of the brotherhood of man, the good will of love and mutual trust. (p. 2065) PrayerPrayer is not a technique of escape from conflict but rather a stimulus to growth in the very face of conflict. (p.

1002) The sincerity of any prayer is the assurance of its being heard. ... (p. 1639) God answers manâ™s prayer by giving him an increased revelation of truth, an enhanced appreciation of beauty, and an augmented concept of goodness. (p. 1002) ...Never forget that the sincere prayer of faith is a mighty force for the promotion of personal happiness, individual self-control, social harmony, moral progress, and spiritual attainment. (p. 999)SufferingThere is a great and glorious purpose in the march of the universes through space. All of your mortal struggling is not in vain. (p. 364) Mortals only learn wisdom by experiencing tribulation. (p. 556)AngelsThe angels of all orders are distinct personalities and are highly individualized. (p. 285) Angels....are fully cognizant of your moral struggles and spiritual difficulties. They love human beings, and only good can result from your efforts to understand and love them. (p. 419)Our Divine DestinyIf you are a willing learner, if you want to attain spirit levels and reach divine heights, if you sincerely desire to reach the eternal goal, then the divine Spirit will gently and lovingly lead you along the pathway of sonship and spiritual progress. (p. 381) ...They who know that God is enthroned in the human heart are destined to become like himâ™immortal. (p. 1449) God is not only the determiner of destiny; he is manâ™s eternal destination. (p. 67)FamilyAlmost everything of lasting value in civilization has its roots in the family. (p. 765) The family is manâ™s greatest purely human achievement. ... (p. 939)Faith...Faith will expand the mind, ennoble the soul, reinforce the personality, augment the happiness, deepen the spirit perception, and enhance the power to love and be loved. (p. 1766) âœNow, mistake not, my Father will ever respond to the faintest flicker of faith.â• (p. 1733)History/ScienceThe story of manâ™s ascent from seaweed to the lordship of earthly creation is indeed a romance of biologic struggle and mind survival. (p. 731) 2,500,000,000 years ago... Urantia was a well developed sphere about one tenth its present mass. ... (p. 658) 1,000,000,000 years ago is the date of the actual beginning of Urantia [Earth] history. (p. 660) 450,000,000 years ago the transition from vegetable to animal life occurred. (p. 669) From the year A.D. 1934 back to the birth of the first two human beings is just 993,419 years. (p. 707) About five hundred thousand years ago...there were almost one-half billion primitive human beings on earth. ... (p. 741) Adam and Eve arrived on Urantia, from the year A.D. 1934, 37,848 years ago. (p. 828)

Whatâ™s Inside?Parts I and II God, the inhabited universes, life after death, angels and other beings, the war in heaven.Part III The history of the world, science and evolution, Adam and Eve, development of civilization, marriage and family, personal spiritual growth.Part IV The life and teachings of Jesus including the missing years. AND MUCH MORE...ExcerptsGodÂ , ...God is the source and destiny of all that is good and beautiful and true. (p. 1431) If you truly want to find God,

that desire is in itself evidence that you have already found him. (p. 1440) When man goes in partnership with God, great things may, and do, happen. (p. 1467) The Origin of Human Life , The universe is not an accident... (p. 53) The universe of universes is the work of God and the dwelling place of his diverse creatures. (p. 21) The evolutionary planets are the spheres of human origin...Urantia [Earth] is your starting point. ... (p. 1225) In God, man lives, moves, and has his being. (p. 22) The Purpose of Life , There is in the mind of God a plan which embraces every creature of all his vast domains, and this plan is an eternal purpose of boundless opportunity, unlimited progress, and endless life. (p. 365) This new gospel of the kingdom... presents a new and exalted goal of destiny, a supreme life purpose. (p. 1778) Jesus , The religion of Jesus is the most dynamic influence ever to activate the human race. (p. 1091) What an awakening the world would experience if it could only see Jesus as he really lived on earth and know, firsthand, his life-giving teachings! (p. 2083) Science , Science, guided by wisdom, may become man's great social liberator. (p. 909) Mortal man is not an evolutionary accident. There is a precise system, a universal law, which determines the unfolding of the planetary life plan on the spheres of space. (p. 560) Life after Death , God's love is universal... He is not willing that any should perish. • (p. 39) Your short sojourn on Urantia [Earth]...is only a single link, the very first in the long chain that is to stretch across universes and through the eternal ages. (p. 435) ...Death is only the beginning of an endless career of adventure, an everlasting life of anticipation, an eternal voyage of discovery. (p. 159)

Very strong and knowledgeable book, I believe every Christian, Catholic, Jehovah's Witness, Protestants, Lutherans, and etc... should possess, doesn't mean everyone should believe everything given in the book but will awaken your conscious and sub-conscious mind to spiritual awareness and growths in certain levels. The Urantia Book can also be read by other diverse religions, but this is mainly Christian. Urantia Book is an outstanding philosophic book with dedicated research combined into one book. A Must Have by All. Awaken spiritual personality to your conscious! Urantia Book provides technical knowledge on a diverse range. This book goes in-depth with spirituality in history, explains infinite spirituality, Life & Teachings of Jesus, relationship of marriage spirituality, civilizations development, overall Universal Spirituality book a must possess for all beings, even the one's without faith. Christian scholar's must possess this, much knowledgeable material that will pursue your further studying, I know because I'm a Christian Theologian.

This is my favorite version of the book with a beautiful blue soft cover leather. It has a ribbon attached as well to keep your place! If you are not familiar with this book, it is the book of the earth and will answer all your questions about what happened to the dinosaurs or is there life on other planets; where are the missing years of Jesus life it answers all these questions and more!!

Mindboggling. Very serious reading. This may shake your religious beliefs, your beliefs about humanity and mostly- your belief about why we exist here on Planet Earth aka "Urantia." Be prepared to have every thought about human beings, angels, archangels, religions on this planet, the solar system, milky way galaxy and heaven- completely blown away! This book made me do a 360 about how I felt about life, the universe and everything! This book is not for everyone. If you are religious- prepare to have your beliefs shaken up. You can take what is in this book for what it is worth. Some of the concepts are so mindboggling that I still have a hard time grasping the information. Regardless, it was an eye-opening book that did change my life and the way I see the world. Definitely recommend for open-minded individuals. Hopefully this review helps!

This book is truly heaven sent.....had a copy 30 years ago....lent it out...it was not returned.....recently had a flash of insight.....searched for the book on and am beginning to study it again.....amazing.....it seems this book has the answers to questions I have had for years.....there is so much going on now.....great for helping through this transitional phase Earth (Urantia) has been and will continue to be in for some time to come

I am a Christian. I don't believe in 'The Urantia Book' - But as a person with an open mind and willing to study what the other side has to say, I found this book informative. I prefer this soft cover/leather bound version compared to the hard cover I had previously. This version is well noted and indexed quite nicely. I appreciate it for the book that it is. It arrived on time, with no problems and in good shape. Thank you very much.

Not for everyone. Info and teachings are excellent in our opinion. Not an easy read and adds lots of info not taught in conventional church teachings. Makes you really feel a part of the life of The Master and his teachings. Will get to the first part of the book in the not too distant future. All we have met that are or have been reading this book have been great and very congenial, helpful and considerate. World would be a much better place if just the basics were followed!

I rated the product a 5 as well as the delivery of the product. It came undamaged, and it arrived a day earlier than quoted. While I am not reviewing the quality of the subject matter here, because it is personally or spiritually relevant, I will say that the Book is beautiful. It arrived in a cardboard box, of sorts, and inside that box was a book box which I was pleased to discover. This makes it possible to keep the book stored and also allows it to stand on its book end without collapsing or folding over. The manufacturing of the book resembles a King James Bible, being that the pages are gold leaved, and it has a ribbon marker crafted into the binding. I would recommend this book to anyone seeking insight to the options of religions as we know them or as They know Themselves, as an open mind will discover much.

It's my fourth copy and probably the most valuable asset in the house. Other copies have flown--I hope they're being read. It should be included with the birth of a person--sort of like a "How To ..." accessible answers regarding the universe. Bravo!
