The Death Of Joan Of Arc: A Lost Story From The Secrets Of The Immortal Nicholas Flamel

Synopsis

Nicholas Flamel appeared in J.K. Rowling's Harry Potter but did you know he really lived? And he might still be alive today! Discover the truth in Michael Scott's New York Times bestselling series the Secrets of the Immortal Nicholas Flamel with The Death of Joan of Arc, an ebook original. In this never-before-seen lost story, Joan of Arc was not burned at the stake in Rouen, France in 1431. She was rescued from certain death by Scathach the Warrior. The truth about that day is revealed in the last will and testament of William of York, and it will leave you wondering: does Joan of Arc still walk the earth? Fans of adventure fantasies like Rick Riordan's Percy Jackson and the Olympians series will eat this one up. VOYA Read the whole series! The Alchemyst The Magician The Sorceress The Necromancer The Warlock The Enchantress

Customer Reviews

This is a great short story for anyone who has read Michael Scott's the Secrets of the Immortal

Nicholas Flamel. I really liked how the story was told from the perspective of an archer who secretly didn't want Joan to be executed. It was a great story but I wish it was longer. One thing I think would make this story better (and longer) is if the perspective switched over to Scatty for the rest of the story because in one of the TSOTINF books, Scatty mentions putting her vampire blood into Joan because of the injury that William gave her while they were escaping. All in all, I don't think Scott finished the story.

Good, short story. Great for readers of the Nicolas Flamel series. Very quick read but it is action packed and fast paced.

Who doesn't love when Scatty and Joan team up? This is a nice filling out of the story of the rescue and Scathach's love for Joan. The sister she COULD talk to and share.

No more than a ten or fifteen minute read, this ebook short story is part of Michael Scott's series, The Secrets of the Immortal Nicholas Flamel. William of York, approaching the end of a long life, has decided to tell the true story of an event that history has recorded rather differently, the death of Joan of Arc. An English archer assigned to guard the gates of Rouen at the time of Joan's execution via burning at the stake, William was a stunned eyewitness to what actually occurred - Joan's rescue from the burning pyre by Scathach the Shadow, also known as the Warrior Maid, the Kingmaker and the Demonslayer. Both Joan and Scathach are major characters in Mr. Scott's series and, while you won't miss anything of importance by not reading this story, it's quick, it's fun and it costs less than a buck, so why would you miss it?

It is a great explanation to the second book of the alchemyst series the magician I would have this longer

It was a good short story showing how good of a relationship the two girls had. I would recommend it to anyone who read the series.

It was too short (well, I wanted more). This story filled in a bit of mentioned history from the series. I think it would be a good stand alone short story as well. If I say anything more, I would have to declare a spoiler alert. Many thanks to the author for creating such a fun and non-stop paced adventure story. Five books was agreeably enough. xo

Awesome addition to the series also Could have been longer
