The Shattered Earth: Book 3 Of The Thrilling Post-Apocalyptic Survival Series: (Surviving The Fall Series - Book 3)

Synopsis

Rick Waters is trapped. He and another survivor are stuck in the middle of a devastated Las Vegas, forced to hide while a band of criminals wielding stolen military-grade hardware loot the city. Any hope of escape rests on Rick's quick thinking, though that may not be enough. Back home in Virginia, his wife and children are preparing their homestead for an early winter that has arrived. The heavy snowfall is accompanied by the revelation of a strange secret beneath their home that may make their lives easier or even more dangerous. Surviving the Fall is a thrilling post-apocalyptic episodic series that focuses on Rick and Dianne Waters and how they each deal with the apocalypse. Stranded across the country away from his family, Rick must travel from California to Virginia to reunite with his wife and children, all while struggling to comprehend and deal with the horrors along the way. At home with her three children when she experiences the beginning of the end in a dramatic and deadly fashion, Dianne Waters has experience as a prepper and survivalist, but not even years of training and preparation have readied her for the darkness that comes with the end of the world. Now she must draw upon those skills to protect her loved ones and fight back against those who come against her and her family. Surviving the Fall will feature 14 episodic (25k-30k words in length) books that are full of action, suspense and drama as Rick and Dianne struggle to survive the end of days. Episodes will be published every 2-3 weeks.

Customer Reviews

I so cannot believe how good this series is and how good the writer is. Keep em coming!

I thoroughly enjoyed reading about Rick and Jane as they desperately wend their way to Nellis Air force base. In the mean time, his wife and children are working to insure their home for ultimate long time survival. I finished this book in the series in one sitting. Another cantputdownable must read.

Can't wait for the next one! I'm too impatient! Great series so far!

Mike kraus is a brilliant writer! I'm captivated by the story and the characters within. The way he is going about writing 2 separate stories into one series is just so fun to read!

I really enjoyed this latest episode! Starting to see Rick knuckle down, but in a twist, things go South quickly and he's forced into a new, not so savory situation. Great job keeping the series fresh, Mike! On to episode 4...

All of Mike's books are great. When one of his books comes out I stop reading whatever I'm reading and read his. Then when finish I go back to the other book.

I love this book series...keeps me interested in every chapter...this guy knows how to write interesting books...very very good...

I think it was a realistic read about the degradation of society should we have a failure of this type.
