From Sin To Salvation: The Ascent Of The Soul

Synopsis

Exploring traditional concepts of sin and salvation, heaven and hell, Satan and evil, this remarkably accessible work focuses on how the soul can escape from sin and advance spiritually, even in the afterlife and even if one has lived a life of sin and unbelief. *From Sin to Salvation: The Ascent of the Soul* examines the Bahá'í views as expressed in the authoritative Bahá'í texts regarding the origin and nature of sin and evil and the power of the individual soul to recognize and combat these forces. In exploring these weighty concepts, author John S. Hatcher discusses what constitutes sin, analyzes how sinful acts affect our lives, both here and hereafter, and, most significantly, reviews what the Bahá'í writings say about the attainment of salvation, even for those who enter the next world without having exercised due diligence in monitoring their spiritual well-being. In addition to these broader theological and philosophical questions, Hatcher analyzes specific religious practices dealing with contrition, atonement, penance, and salvation. Briefly, *From Sin to Salvation* does not dwell too long in the realm of abstraction, but deals with very practical concerns, such as whether or not guilt is an unhealthy institutionalized invention--as many believe--or, instead, a valuable source of information whereby we can take charge of our spiritual progress through a systematic review of our actions in relation to our expectations. Perhaps most critically, Hatcher attempts to resolve the age-old dilemma as to whether "sinners" ultimately do more harm to themselves than they can ever inflict on others.

John S. Hatcher is a professor emeritus of English Literature at the University of South Florida. He is the author of more than twenty-five books, many of which deal with Bahá'í theology, philosophy, and scripture. He has also authored novels, books of poetry, and books translating poetry from Arabic and Persian verse into English. Some of his works have been translated into German, French, Spanish, Italian, and Chinese. He lives with his wife Lucia on a small farm in Plant City, Florida.

Wonderful Dr Hatcher thank you for this thorough insightful profound look at subjects like heaven hell sin salvation and the like -answered many questions I have had for many years-thank you!

Started a new book club and this was the third book selected for the club members. Very interesting reading a lot of food to chew on; information-packed in!

I bought this book in the hopes that it would be an eye-opening read for some of my evangelical friends. After reading it myself, I realized that is not quite the target audience - I recommend it for those already acquainted with some Bahá'í teachings. Nevertheless, I found it a tremendously well-reasoned and valuable read. It doesn't shy away from any of the BIG TOPICS: heaven, hell, Satan, judgement of the soul, the End Times and the Return... Plus, a lighthearted tone makes the philosophical discussions accessible. In particular, the description of how to use self-examination to prevent spiritual stagnation was extremely helpful. Many thanks to the author for putting these thoughts on paper!
