It's a cute devotional, you just have to get passed all the grammatical errors and saying "papa God". Seriously you can refer to him just as God, no need to add papa!

This is such a wonderful, funny, powerful, uplifting book. Don't miss out. It will make your day.

I like it but a little repetitive

This devotional book for women is wonderful. Just perfect for starting or even ending my day. Always applies to what I'm going through. God is great!

Wonderful little short paragraphs to help get thru a situation or hard day. And it's perfectly purse-sized. This is going to be a gift for ALL my girlfriends in bible study.

This is a nice little breather for a very busy mommy. A simple scripture, some insight and a small prayer. Definitely written by a woman for women.

It is nice to have a short devotional to read along with the bible. God is so good and this is so true too blessed to be stressed

Love this great little book! Really helps me start my Papa God time
