Kazuo Koike is a prolific Japanese manga writer, novelist and entrepreneur. Early in Koike's career, he studied under Golgo 13 creator Takao Saito and served as a writer on the series. Koike, along with artist Goseki Kojima, made the manga, *Lone Wolf and Cub*, and Koike also contributed to the scripts for the 1970s film adaptations of the series, which starred famous Japanese actor Tomisaburo Wakayama. Koike and Kojima became known as the "Golden Duo" because of the success of *Lone Wolf and Cub*. Another series written by Koike, *Crying Freeman*, which was illustrated by Ryoichi Ikegami, was adapted into a 1995 live-action film by French director Christophe Gans. The author lives in Tokyo, Japan.

The epic saga continues...Not to spoil anything but there is one particular chapter in this omnibus that involves Itto (the wolf) and his son Daigoro (the cub) in a very dire situation. The chapter was

simply a marvel to read and really showed how father and son are truly bound together on this revenge journey they both embarked on. That chapter alone, IMO, is worth picking up this volume. When you read it, you'll feel even more sympathy for our heroes to accomplish their goals.

Classic Lone Wolf and Cub.

One of 12 in the series. Great series.

Combines 3 issues in a slightly larger format that is easier to read. A true manga classic!

The stories are moving towards a final confrontation with the Yagyu who call upon all their resources to destroy Lone Wolf and cub. Although a good pace is maintained throughout, a sense of familiarity is starting to creep into the stories.
