This study guide includes 160 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 48 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Longan provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Customer Reviews

This book was mildly helpful for practicing for my final exam, but it was very similar to the BarBri MPRE prep book I had already used. It helped to have a few extra questions, but overall felt a bit superfluous. It would be a lot better if, like the Evidence Q&A book, the questions were hyperlinked to answers so you didn't have to flip back and forth with a ton of bookmarks.

great book

I did every single question, but didn't get an excellent grade. Its ok. I guess this book is helpful in terms of building up your confidence, but other than that I am not sure if you should invest in this book.

The questions seem to deal with the more obscure components of the rules. For my purposes it would have been more useful to retain the rigor, but with a more balanced approach.

Great review for my Ethics class. I only wish the questions were longer and more MPRE like

I bought this as a study supplement for my PR class. It was only okay. I found some of the questions were a little easy but it is a great starting point.

This book helped me better understand Professional Responsibility!

Helped me get a perfect score on my Prof. Resp. final.
