Apostle John Eckhardt is overseer of Crusaders Ministries, located in Chicago, Illinois. Gifted with a strong apostolic call, he has ministered throughout the United States and overseas in more than eighty nations. He is a sought-after international conference speaker and has authored more than twenty books, including Prayers That Rout Demons, Prayers That Break Curses, and God Still Speaks. Eckhardt resides in the Chicago area with his wife, Wanda.

I liked John Eckhardt's "Prayers that Route Demons and Break Curses" so I thought I would buy this

book. In one respect this book is better. It gets into more detailed specifics on a number of topics. The author hit on an important point on page 41- "you are what you think." A simple, concise statement but true. Thoughts often lead to actions whether good or bad. Some of the topics I really liked in this book were: * House cleaning. * The Law of first mention in Scripture study. * Mr. Eckhardt uses multiple version of Scripture. * Explains generational or ancestral curses. * Control or possessiveness spirit. (Something I am familiar with in the past.) * The Glossary of Terms at the end of the book was educational. This book was an easy read. The author gets his points across clearly and I found the book to be informative without any sensationalism that seems to be the norm for many authors writing about deliverance.

I have learned more from this book than anywhere else!! I will be passing it around to some other deliverance warriors and then I'll be reading it again and again! It is a fabulous manual! I have received so much revelation from it and have used the revelations on myself to free myself from some attached demons and spiritual conflicts. I'm so grateful for this!

This book gave me so much revelation. It has inspired and encouraged me to seek my personal deliverance from past hurts. I highly recommend this book for those who are seeking material to pair with the Word of God in their deliverance. Awesome read!!

Get ready for true spiritual insight of the unseen world that comes to seek, kill, and destroy people! I have been a student of the Bible for 43 years and have learned more about how our enemy works to destroy and apprehend people through this book, than all years of study. Just a note; get a notebook and pen to write down your own needs and/or others you intend on praying for. This book brings definitions to the elements of bondages few of us are taught or learn on our own. The first book I bought of Pastor Eckhardt's was, "Prayers That Rout Demons," as I desperately prayed for God's help for my son, who became a heroine addict. A miraculous deliverance came in a SHORT time, so I bought "Deliverance and Spiritual Warfare Manual as a follow-up; I am so very glad I did! His books not only guide you into understanding and insight of the various darkness of demonic holds, but guides the reader, themselves, into unknown bondages they may have also. I love the 4 books of Pastor Eckhardt I have purchased so far and they have become a lamp for my spirit, a guide to my prayer life and hold them as close to my heart and I do the Word of God.

An exceptional and eye opening read. I really appreciate how he provides scripture references to

solidify his points. This is a great resource to help me keep my prayers focused on the things of God and to help keep my walk straight.

This book is amazing it is a true spiritual eye opener and spiritual growth increase it gets deep into the spiritual world and it allows you to understand the demonic forces that take place in our life behind closed doors and through our loved ones the words are well written you will surely have to take your time in studying through this book and make sure to keep your Bible nearby so that you can really move in the word of God this book is a most especially for those in ministry and babes in Christ God bless this ministry continually ~JOHN ECKHARDT

This information will explain how Jesus was able to say, "Father forgive them...for they know not what they do"...It explains why good people do bad things...it explains why we are all enslaved by our own desires...READ IT ...and learn the answer to lots of questions you've always had and never found in any church. Deliverance ministry is something we all need to know about.

This book was purchased for a Women's Bible Study. We have found the book to be exactly as we wanted and is true to the KJV & NKJV as well as other Bibles. I loved this book so much I purchased my 2nd book as a gift for a friend.
