Rebecca Brown, M.D., was a young intern just out of medical school when she first encountered the activities of a group of Satanists. She began a lifelong journey of danger and excitement as she followed step-by-step the Lord's commands for her life. She learned complete trust and obedience as God faithfully guided her to truth and ultimate victory. This remarkable woman has ministered to thousands of people through her books, seminars and individual counseling. Dr. Brown's vast experience through personal encounters gives exceptional credibility to her teaching. While there are many Christian authors who write on the subject of the occult, few have the extensive hands-on experience of Rebecca. In fourteen years of ministry, Dr. Brown has led many people out of hard-core Satanism and all types of occult bondage, including Eastern mysticism and New Age philosophy, and into a personal relationship with Jesus Christ. She has also effectively taught believers how to defend themselves against demonic activity by strengthening themselves daily in the Lord by obeying His Word. When Rebecca first encountered the shocking facts behind Satanism and the occult, there was little accurate information available on these dark and evil practices. Movies and television shows that portrayed the supernatural were regarded by the average viewer as fiction. By contrast, today it is common to see newspapers and talk shows discussing details of Satanic ritualistic abuse, demon possession and "white" witchcraft. In spite of the popularity of these topics, however, the full truth is not being accurately disclosed. As a result, there are massive numbers of Christians being deceived in their schools, on the job and even in their own churches. Rebecca candidly discusses the brutal facts and little-known secrets of the occult, such as placement of "inserts" and the practice of "caging." She deals with demons in a no-nonsense manner that takes the "three-ring circus" out of deliverance. Her instruction is based on the simple steps of faith found in Scripture. She emphasizes that these steps are also necessary for the believer's entire Christian walk. Rebecca Brown has authored these best-selling books: *He Came To Set The Captives Free*, *Prepare For War*, *Unbroken Curses*, and *Becoming A Vessel of Honor*. They have been translated into over twelve languages and are used worldwide as teaching tools in churches and ministries. Her counsel is often sought by pastors, doctors and lawyers. In addition, her books are utilized by various U.S. law enforcement officials as part of their training programs for dealing with the occult. Although there are many Christian books exposing the occult, Dr. Brown's are among the few that offer definite answers and specific personal advice. They have helped countless people to pray effectively and to protect themselves from demonic attack and bondage.

As a Christian, I admit I wasn't taught much of the reality of the spirit world. This book sheds light on the powers of darkness and how to be aware of its operation in our own lives. I no longer feel as if I

have to take some things "lying down."

Please get this book. It is wonderful and a must read book. Everything in the book helps you understand how the other world (as in spiritual world) works.

The book came today, and it's hard to put it down! Though I bought it new, it came damaged. It looks as though the book had been dropped. The binding and the front cover is damaged in the upper left corner. I may return it because I paid the full price for it.

Satan is a liar. Great book

Very spiritually awakening, I learned so much from this book and my spiritual knowledge has increased. There are some points in the book in which I don't agree with the author. I personally agreed with about 90% of what the book said, but this is more of a personal opinion more than anything. I would recommend this book definitely.

It beckons spiritual excellence by illuminating the severity of spiritual warfare, and most importantly, it enforces your identity in Christ by the victory and freedom Jesus secured for us in death, burial, and resurrection. The darkness can be crippling, but when the reader realizes the power is on OUR side as Christians, it is truly liberating!

This book is very popular amongst the Christian community and for every good reasons, it is powerful and meaningful and very well written. Also arrives on time and in good condition and is a great price on .

Book received in great shape
