The Mystery: Finding True Love In A World Of Broken Lovers

Synopsis

Love Exists. It's for You--and It's Worth Pursuing Rock princess Lacey Sturm wants to share her journey from heartbreak to wholeness with young women. In *The Mystery*, Sturm helps readers understand that any loving relationship begins with knowing your own identity in Christ. And yet, so many people have learned to define love through their own dysfunctional family, unhealthy relationships, the romances and wrecked relationships of mainstream pop culture, or, sadly, through pornography. Is it any wonder so many people end up brokenhearted, divorced, abused, abusive, or even suicidal? Through personal stories, Sturm shows readers why true love is difficult and often painful but still worth fighting for. She helps women recognize destructive patterns in their relationships, discover a vision for a true and heart-flourishing love, and heal from past wounds. For anyone seeking healthy, loving relationships in our broken world, *The Mystery* lights the way to the love we were meant for.

True love exists--and it's worth pursuing. The pain of life can make us want to turn our backs on the idea of love. We want to be smarter than the next heartbreak. Yet our hearts still burn when we encounter the purest forms of love. So in our brokenness we keep trying to create love, but it ends up being a version of something filtered through our wounds--twisted and torn--until we no longer recognize it. Through raw, honest, and personal stories, rock princess Lacey Sturm shows you why true love is difficult and often painful--but still worth it. On the journey she recognizes destructive patterns in her own relationships, heals from past wounds, finds a way to trust again,

and discovers a vision for a flourishing love that heals us, frees us--and is something we can believe in. "Praise for Lacey Sturm's writing "Fresh. Passionate.
