# Hockey Card Stories: True Tales From Your Favorite Players

## Synopsis

Hockey Card Stories reveals what was really going on in your favorite old hockey cards through the eyes of the players depicted on them. Some of the cards are definitely worth a few bucks, some a few cents - but every story told here is priceless. Sportsnet's Ken Reid presents the cards you loved and the airbrushed monstrosities that made you howl, the cards that have been packed away in boxes forever, and others you can't believe ever existed. Whether it's a case of mistaken identity or simply a great old photo, a fantastic 1970s haircut and 'stache, a wicked awesome goalie mask, or a future Hall of Famer's off-season fashion sense, a wide variety of players - from superstars like Bobby Orr, Denis Potvin, and Phil Esposito to the likes of Bill Armstrong, who played only one game in the NHL - chime in on one of their most famous cards.

## Book Information

Audible Audio Edition

Listening Length: 5 hours and 53 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: ECW Press

Audible.com Release Date: October 18, 2016

## Customer Reviews

Very interesting and entertaining stories of hockey players as told by the photos and information on their trading cards. Present day interviews with the players bring their stories up to date.

Really enjoyed this book. A nice mix of the stories behind the cards and a bit of "where are they now" with a wide range of former pro hockey players. Ken Reid clearly put a lot of thought and effort into a unique subject in the sports world.

Excellent book for anyone who had a hockey card as a youth.

You will like this, especially if you like interesting information about lesser known players.

Loved this book! The stories and characters were fantastic. I highly recommend to hockey enthusiast!

The author has great insight into the players on the cards. If you like hockey or sports personalities, this book is a fun read.

What a fun hockey book

Not as good as you would think. The stories are kind of boring.
