Perfect for my 4-year old who has just started reading. The repetitive characters are great and she really likes them. The books are relatively short and the pages are one or two lines. Perfect for new readers with easy words and relatively few difficult words.

Another winner in the Pete the Cat series. The grandkids loved it!

We own all the pete the cat books. He's our favorite! This one is good too- not the best by any means, but it's a new story to add to the mix!

Another cute Pete the cat adventure. So easy to read my 6 year old granddaughter can read it to me. Love this cat and his stories.

This book got my grandson to question what an "addition" was and then the engineering of the tree house. Started a great conversation!

Pete the Cat is always good. The kindergarten class loves all the books.

Cute story. Easy to create visuals from it for therapy sessions

Granddaughter loves the Pete the Cat series
