## Customer Reviews

"Typically exuberant pictures . . . with a singing storyline that begs children to join in the fun." Times

Quentin Blake is best known for his illustrations of Roald Dahl's novels. His previous works include Loveykins, Mrs. Armitage, Quentin Blake's Ten Frogs, Tell me a Picture, and Zagazoo. He has won numerous awards for his work, including the Kurt Maschler, the Smarties, and the Hans Christian Andersen Award for Illustration.

Mister Magnolia loves children, life, music, and so much more. However he is missing a shoe and cannot seem to find another one. This is a happy story written in rhyme inviting the reader to

participate in the adventure of finding a shoe for his other foot.

My kids loved this book as toddlers and now I have a new copy for my infant grandson. Just a timeless tale and great illustrations.

Cute book. Fun pictures that my 3 yr old loves to look at and count the children or birds or objects. It makes him laugh that his boots don't match in the end. Very short book, but fun.

I'm a teacher and my name is Mr. Magnolia. I love this book. It's written and illustrated by Quentin Blake who is most well known for his illustrations for Roald Dahl. I wish I could get a hard cover version.

Wonderful. British format larger than expected.

This was one of my childrens' all time favourite books so I was delighted to be able to buy it again for my grandchildren - they both love it, and my grandson was so thrilled with it that on the day he was given it he asked his Daddy to read it sixteen times!!! There can be no greater accolade!! I thoroughly recommend it.

The rhymes are very funny. And my kid loved it from the first time. This author has great books and he won a very prestigious child book award. The drawings are also very funny.

One of my new favorites for morning snuggle time with a 2.5yr old. The book just sings with joy and energy and causing endless giggles.
