Andy Baker is Associate Professor of Political Science and Faculty Associate in the Institute of Behavioral Science at the University of Colorado Boulder. He teaches courses on comparative politics, political economy, global development, and African and Latin American politics. He received his Ph.D. from the University of Wisconsin-Madison in 2001. Andy conducts research on Latin American politics, international political economy, and mass political behavior. In 2009, he published a book with Cambridge University Press, entitled *The Market and the Masses in Latin America: Policy Reform and Consumption in Liberalizing Economies*, on the nature and causes of citizens' attitudes toward free-market policies in 18 Latin American nations. Andy has also published articles in *American Journal of Political Science*, *World Politics*, *Latin American Research Review*, and *Electoral Studies*. His current research projects focus on the Latin American Left, public opinion toward foreign aid in donor countries, and the impact of globalization on economic insecurity in the developing world.

perfect

Definitely needed this book for school! So it's great!

Good book for developing nations courses.

Despite this being an international version it worked well, only very small differences that did not impact the use for class :)

The book was in great condition. I had no problems with shipment!! Would recommend to anyone. Payment went through just fine!
